

EMERGENCY NOTIFICATION SERVICES

The Master Association encourages everyone to sign up for Bradenton and Manatee County emergency alerts. These alerts are more timely and accurate than what the Association is able to provide, especially for disaster preparation, emergency orders, evacuations, shelter openings and boil water notices.

These services provide automatic notices to your choice of email, message or phone call to keep you up to date on a variety of things that you need to know. (Including trash, recycling and yard waste schedule changes.) These are especially helpful for part year residents.

CodeRED

- **What is CodeRED and what is it used for?**

CodeRED is a web-based communication solution that enables local public safety personnel to notify residents and businesses by telephone, text message and email of time-sensitive information, emergencies, or urgent notifications. The system can reach hundreds of thousands of individuals in minutes to ensure information such as evacuation notices, missing persons, and inclement weather advisories are quickly shared. Only authorized officials have access to send alerts using the CodeRED system.

- **When will CodeRED be used?**

Any message regarding the safety of our residents and community will be disseminated using CodeRED. We will send out alerts via phone, text and email in a variety of situations including boil water notices, gas leaks, evacuation notices, police activity, fire emergencies, missing persons, and more. This is a community alert system to ensure you remain informed of important information. Please keep in mind that as you register to receive CodeRED alerts, you have the ability to select the types of messages you wish to receive and your preferred means of communication.

- **Why is CodeRED important to me?**

CodeRED is an important tool to help keep you informed and prepared for any emergencies that may occur in our area. Officials will send messages to alert you of emergency details, instructions, or precautions that you need in order to make well-informed decisions and remain safe. This system is precise enough to geo-target residents within an exact area of impact, so that only those people who are affected by an emergency situation are notified.

- **CodeRED is free.**

- **How do I sign up?**

The quickest way to sign up is to use the link on the top of this page. The information you supply is immediately registered in the system. If you do not have Internet at home, please consider visiting a library or asking a friend or family member for assistance. If you need assistance and don't have Internet, you may also call the City of Bradenton at [941-932-9400](tel:941-932-9400) and we will help you sign up.

- **CodeRED Mobile Alert app is available for Android and iPhone.**
