

Your Villas Need You – Step Up and Make a Difference!

Palma Sola Trace Villas is more than just a neighborhood — it's a community built by the dedication and energy of its residents. Our beautiful surroundings, well-kept homes, and strong sense of connection don't happen by chance. They happen because neighbors like you step forward, get involved, and help guide our future.

Right now, **we need your voice, your ideas, and your skills** on our committees. Every committee plays a vital role in shaping the quality of life we all enjoy, and without active volunteers, our progress slows, and opportunities are missed.

Why It Matters

- **Protect Your Investment** – The work of our committees helps maintain property values, ensure compliance with our standards, and keep our community desirable for years to come.
- **Have a Voice** – Serving on a committee gives you a direct say in decisions that impact your home, your street, and your neighbors.
- **Build Connections** – You'll meet new people, form friendships, and strengthen the bonds that make our neighborhood a true community.
- **Share Your Expertise** – Whether your skills are in organization, creativity, problem-solving, or simply lending a helping hand, there's a place for you to make a difference.

Committees With Openings

- **Landscaping Committee** – Help shape and maintain our community's curb appeal.
- **Fining Committee** – Support fair enforcement of our rules and standards.
- **Communications Committee** – Keep neighbors informed and connected.
- **Buildings & Grounds Committee** – Oversee upkeep and improvements to our shared spaces.
- **Villas Welcome Committee** – Greet new residents and make them feel at home.
- **Architectural Control Committee (ACC)** – Ensure exterior changes meet community standards.
- **Special Projects Committee** – Take on unique projects that benefit the Villas.

We Can't Do It Without You
